PARTNERS MAKE A  
DIFFERENCE**

The HHS Orchestra performing at the Lincoln Memorial in Washington, DC

The Community Partners Program provides a unique opportunity for individuals, businesses, and foundations to make a difference in the lives of students who excel in academics and the performing arts at Harrison High School.

The program provides visibility and awareness for community partners while providing students with special enrichment instruction, guest conductors and artists, and other opportunities that would otherwise be unavailable. Monetary and in-kind contributions support a national award winning orchestra, and helps to build a better community by building future community leaders.
