Winter LGPE Prep Camp 2024

February 3, 2024 8:30am-4:00pm

Dear Harrison Orchestra Families,

The Harrison Orchestra Camp is an integral part of the Harrison Orchestra experience. Each student will receive approximately 6 hours of ensemble and sectional instruction with the HHSO Camp Staff. The Winter LGPE Prep Camp is essential to the progress of our orchestra program as we prepare to perform for the annual Large Group Performance Evaluations, advance to a higher level of string performance, and to develop skills as a member of our orchestra team.

As we are able to bring in high quality instructors for your children, orchestra camp does come at a cost not covered by the Cobb County School District. In order to provide the quality instruction for all of our students, orchestra camp is covered under the Enrichment Fees that were assessed from the Harrison Orchestra Boosters. This camp will include professional musicians and educators from around the metro Atlanta area.

Please note that student drivers are NOT to leave campus during the lunch break in order to ensure the safety of all of our students in the orchestra program. Students should plan on bringing their own sack lunch.

Parents can plan on picking up their student from Harrison at 4:00pm. We will have a movie night right after camp in the orchestra room from 4:00-5:30pm where students can bring snacks, bean bag chair, and have time to fellowship with one another.

We are looking forward to a wonderful camp experience and tremendous growth for all of our orchestra students in the Harrison Orchestras!

Musically Yours,

Koji Mori
Director of Orchestras
Harrison High School
