Winter LGPE Prep Mini Camp 2025

January 25, 2025 8:30am-12:30pm

Dear Harrison Orchestra Families,

The Harrison Orchestra Camp is an integral part of the Harrison Orchestra experience. Each student will receive approximately 3 hours of ensemble and sectional instruction with the HHSO Camp Staff. The Winter LGPE Prep Camp is essential to the progress of our orchestra program as we prepare to perform for the annual Large Group Performance Evaluations, advance to a higher level of string performance, and to develop skills as a member of our orchestra team.

As we are able to bring in high quality instructors for your children, orchestra camp does come at a cost not covered by the Cobb County School District. In order to provide the quality instruction for all of our students, orchestra camp is covered under the Enrichment Fees that were assessed from the Harrison Orchestra Boosters. This camp will include professional musicians and educators from around the metro Atlanta area.

Parents can plan on picking up their student from Harrison at 12:30pm. We are looking forward to a wonderful camp experience and tremendous growth for all of our orchestra students in the Harrison Orchestras!

Musically Yours,

Koji Mori
Director of Orchestras
Harrison High School
